it otherwise would if benefits were allocated to individual recipients within the household. For those State agencies issuing FMNP benefits on a household basis, each family as defined in § 246.2 of this chapter shall constitute a separate household. Foods provided, regardless of method of issuance, are intended for the sole benefit of FMNP recipients and are not intended to be shared with other non-participating household members. If a State agency issues benefits on a household basis, data concerning number and type of recipients must still be provided as required by § 248.23(b). Recipients shall receive FMNP benefits free of charge.

§ 248.7 Nondiscrimination.

(a) *Civil rights requirements.* The State agency shall comply with the requirements of title VI of the Civil Rights Act of 1964, title IX of the Education Amendments of 1972, section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Department of Agriculture regulations on nondiscrimination (7 CFR parts 15, 15a and 15b), and applicable FNS Instructions to ensure that no person shall, on the grounds of race, color, national origin, age, sex or handicap, be excluded from participation, be denied benefits, or be otherwise subjected to discrimination, under the FMNP. Because racial and ethnic participation data (as required by title VI of the Civil Rights Act of 1964) are collected at the time women, infants, and children are certified for participation in the WIC Program, the Department has determined that the WIC data collection effort is sufficient to fulfill the racial/ethnic data collection requirement for the FMNP. Therefore, no additional data collection is required. Compliance with title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and regulations and instructions issued thereunder shall include, but not be limited to:

(1) Notification to the public of the nondiscrimination policy and complaint rights of recipients and potentially eligible persons, which may be satisfied through the Department's re-

quired nondiscrimination statement on brochures and publications;

(2) Review and monitoring activity to ensure FMNP compliance with the nondiscrimination laws and regulations;

(3) Establishment of grievance procedures for handling recipient complaints based on sex and handicap.

(b) *Complaints.* Persons seeking to file discrimination complaints may file them either with the Secretary of Agriculture, or the Director, Office of Equal Opportunity, USDA, Washington, DC 20250 or with the office established by the State agency to handle discrimination grievances or complaints. All complaints received by State agencies which allege discrimination based on race, color, national origin, or age shall be referred to the Secretary of Agriculture or the Director of the Office of Equal Opportunity, USDA. A State agency may process complaints which allege discrimination based on sex or handicap if grievance procedures are in place.

Subpart D—Recipient Benefits

§ 248.8 Level of benefits and eligible foods.

(a) *General.* State agencies shall identify in the State Plan the fresh, nutritious, unprepared, locally grown fruits, vegetables and herbs which are eligible for purchase under the FMNP. Ineligible foods for the purpose of the FMNP include, but are not limited to: honey, maple syrup, cider, nuts and seeds, eggs, cheese, meat and seafood. Locally grown shall mean produce grown only within a State's borders but may be defined to include border areas in adjacent States. Under no circumstances can produce grown outside of the United States and its territories be considered eligible foods.

(b) *The value of the Federal benefits received.* The value of the Federal share of the FMNP benefits received by each recipient, or by each family within a household in those States which elect to issue benefits on a household basis under § 248.6(c) may not be less than \$10 per year or more than \$20 per year.
